AMENDMENTS TO THE DRAWINGS

Please insert drawing sheet 1.

REMARKS

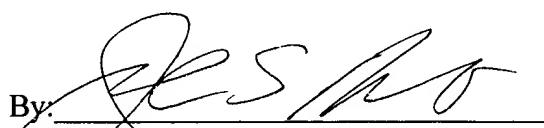

Claims 1-14 are pending. Applicant wishes to thank the Primary Examiner for indicating that claims 1-12 are allowable. Claims 13-14 have been cancelled herein. Therefore, as no pending claims are at issue, the case should be allowed.

The title of the invention has been amended to be more descriptive as suggested by the Office Action. Applicant hereby amends the title to read "COMPUTER AND COMPUTER-READABLE STORAGE MEDIUM FOR COMMAND INTERPRETATION."

Furthermore, a new figure has been added as requested (a copy of which is enclosed herewith). The new figure presents a block diagram of one of the process flows as recited in the specification. Additionally, the specification has also been amended to make appropriate reference to the added figure. This figure does not add new matter, but it supported and merely provides a diagrammatic representation of the process flow that is described in detail in the specification.

As no pending claims are at issue, allowance of the case is requested.

Respectfully Submitted,

By:
